

MAX AP Canopy Series 10' x 20' MAX AP Canopy

North America's #1 Selling Canopy.

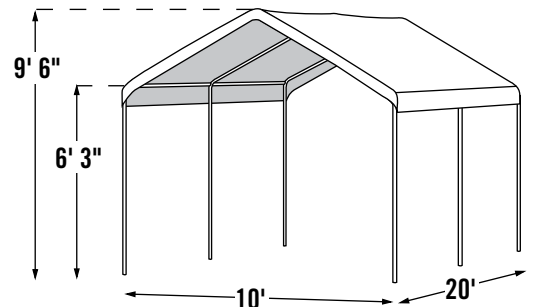

- Our most popular selling canopy, the 10' x 20' MAX AP sets up in minutes and is perfect for seasonal vehicle storage, backyard events, camping, craft fairs or special events. Starting with high grade steel, every frame pipe and connector is subjected to a proprietary 13 step Rhino Shield steel surface preparation process.
- Heavy duty 1-3/8" all steel frame, is bonded with Dupont™ thermoset baked on powder-coated finish prevents chipping, peeling, rust and corrosion, delivering a more lightweight and portable unit.
- Advanced engineered, triple-layer, chemically heat bonded enhanced quality weave, rip-stop, 100% waterproof, polyethylene cover. UV-treated inside and out with added fade blockers, anti-aging, anti-fungal agents resulting in a fabric cover that withstands the elements. Fitted full valanced cover.
- Quick and easy set up built in with slip together swedged tubing and Patented Twist Tite™ tensioning squares up frames and tightens down covers for a clean and finished look.
- Wide foot plates on every leg ensure easy access to secure anchor points.

Great For:

Camping, decks/patios, special/corporate events, shade and protection.

- One full-color graphic retail package.
