

SUPER MAX Canopy Series

10' x 20' SUPER MAX 8-Leg Canopy

The Best Built 10' x 20' Canopy - Seasonal Shelter.

- Our most sturdy 2" frame canopy, the 10' x 20' SUPER MAX 8-Leg delivers rock solid seasonal protection for vehicles, backyard events, camping areas or special events.
- Our SUPER MAX Canopy is built only using high grade steel. Every frame pipe and connector is subjected to a proprietary 13 step Rhino Shield surface preparation process.
- Professional grade 2" all steel frame, bonded with Dupont™ thermoset baked on powder-coated finish that holds on tight and prevents chipping, peeling, rust and corrosion.
- Advanced engineered, triple-layer, chemically heat bonded enhanced weave, rip-stop, 100% waterproof, polyethylene cover. UV-treated inside and out with added fade blockers, anti-aging, anti-fungal agents resulting in a fabric cover that withstands the elements.
- Quick and easy set up built in with slip together swedged tubing and Patented Twist Tite™ tensioning squares up frames and tightens down covers for a clean, finished look.

Great For: Vendor canopy, camping, decks/patios, pool areas and vehicle storage.

- One full-color graphic retail package.
