

SUPER MAX Canopy Series

12' x 20' SUPER MAX 8-Leg Canopy

Best Built 12' x 20' Canopy - Shelter Solution.

- America's best built canopy, the 12' x 20' SUPER MAX provides more shade area than standard models. Starting with high grade steel, every frame pipe and connector is subjected to a proprietary 13 step Rhino Shield surface preparation process.
- Professional grade 2" all steel frame, bonded with Dupont™ thermoset baked on powder-coated finish prevents chipping, peeling, rust and corrosion.
- Advanced engineered, triple-layer, chemically heat bonded enhanced weave, rip-stop, waterproof, polyethylene cover. UV-treated inside and out with added fade blockers, anti-aging, anti-fungal agents resulting in a fabric cover that withstands the elements.
- Sturdy 8-Leg design is assembled quick and easy with slip together swedged tubing. Patented Twist Tite™ tensioning squares up frames and tightens down covers for a clean and finished look.
- Wide foot plates on every leg ensure a rock solid base and easy access to secure anchor points.

Great For: Backyard patios, vehicles, boat docks, vendor, corporate and special events, seasonal shade and protection.

- One full-color graphic retail package.

We've Got You Covered.™
