

SUPER MAX Canopy Series

12' x 26' SUPER MAX 10-Leg Canopy

America's Best Built Canopy - Shelter Solution.

- The ultra strong 12' x 26' SUPER MAX Canopy is the perfect seasonal storage or event solution. Starting with high grade steel, every frame pipe and connector is subjected to a proprietary 13 step Rhino Shield steel surface preparation process.
- Professional grade 2" all steel frame, bonded with Dupont™ thermoset baked on powder-coated finish prevents chipping, peeling, rust and corrosion, delivering America's best built canopy.
- Advanced engineered, triple-layer, chemically heat bonded enhanced weave, rip-stop, 100% waterproof, polyethylene cover. UV-treated inside and out with added fade blockers, anti-aging, anti-fungal agents resulting in a fabric cover that withstands the elements.
- Sturdy 10-Leg design is assembled quick and easy with slip together swedged tubing. Patented Twist Tite™ tensioning squares up frames and tightens down covers for a clean and finished look.

Great For:

Backyards, decks, outings, special events, seasonal shade and protection.

- One full-color graphic retail package.
