Ratchet TITE™ Anchor Kit

Ratchet TITE - Rock solid anchoring system for canopies, shelters and garages. Immediate and constant frame-to-anchor tightening.

4 Easy Hook cast steel anchors and drive rod included. They take a bite and hold on tight. Effective in any soil condition.

Heavy duty steel ratchet hook with webbing ensures a solid frame-to-anchor connection.

Rugged plated metal ratchets with sturdy webbing and beefy S-Hook connectors make the tightening process quick and easy.

The quick-attach Drill Guide Template clips right to the frame for easy location of the ratchet connection point.
