

4000 Series - Modular Dog Kennel 4' x 8' - MDK 484

Modular Expandable Design. Easy Set Up.

- Introducing the Modular Series of Dog Kennels and Livestock Shelters. Built with sturdy 2" square mesh 3mm diameter wire grade steel frame.
- Innovative integrated Push button snap roof design with electroless Nickel-plated powder coat connectors assemble in minutes.
- Solid welded door panels with steel machined lockable latch assembly. Pre-assembled, modular, welded panels. Using only a 7/16" wrench the universal clamping system is 100% interchangeable. Goes from box to backyard in less than 60 minutes.
- Advanced engineered, triple-layer, rip-stop waterproof polyethylene cover. UV treated inside and out with added fade blockers, anti aging, anti-fungal agents resulting in a cover that withstands the elements. Four point adjustable cover tie downs keep cover tight to frame.
- Kennel Lift Spacers add stability and allow for easy clean-out.
- Oversized 24" X 45", reinforced door frame with escape proof door lockable latching system for easy access.

Great For:

Dog, animal or livestock shelter, backyards, decks, patios or garages.

- One full-color graphic retail package.
